

EDUCATION

Vellore Institute of Technology B.Tech in Information Technology <i>Vellore, Tamil Nadu</i> Relevant Coursework: Data Structures and Algorithms, Computer Networks, Operating Systems, Cybersecurity, Web Technologies, Human Computer Interaction, Cloud Computing, Database Management Systems	September 2021 - July 2025
The Bishop’s Co-Ed School, Kalyani Nagar Science-PCM with Computer Applications <i>Pune, Maharashtra</i> ISC Board-90%	June 2019 - June 2021

SKILLS

Technical Languages/Skills: Java, C, C++, Python, HTML/CSS, SQL, React.js, Javascript, AngularJS, MongoDB
Design Skills: Figma, Interaction Design, Web Design, UX Research, User Interface Design, Design Thinking
Tools: Visual Studio Code, Figma, Power BI, Terminal, GitHub, Excel, MySQL, Geany, ThingSpeak, Adobe XD, Adobe Illustrator, Adobe Photoshop, ibisPaint X

WORK EXPERIENCE

John Deere India The Interactive Infrastructure Web Portal <i>Frontend Development Intern</i> <ul style="list-style-type: none">Architected and engineered a centralized web portal utilizing React.js and modern HTML/CSS, streamlining access for 60+ infrastructure team membersSpearheaded implementation of interactive UI components and Lottie animations, achieving 40% increased user engagement across platformTransformed resource discovery workflow by reducing search time from 10 to 2 minutes per session through intuitive interface designOrchestrated comprehensive link management system integrating 50+ internal tools, delivering 30% efficiency improvement in team operationsRevolutionized infrastructure operations by developing standardized design system and optimizing portal performance metrics	October 2023 - December 2023
Flixdin Website and Mobile Application Interface <i>UI/UX Design Team Head</i> <ul style="list-style-type: none">Composed and mentored 10 UI/UX designers in developing comprehensive film industry social platform, supporting 15+ user personasExecuted end-to-end design leadership creating 200+ screens in Figma, driving 40% reduction in user onboarding timePioneered atomic design system implementation, accelerating design iterations by 30% for 100,000+ industry professionalsChampioned cross-platform design consistency through standardized component library and documentationRestructured film industry networking by delivering intuitive user experiences across web and mobile interfaces	May 2023 - July 2023
Younglabs Website Interface <i>Frontend Development and Human Resources Intern</i> <ul style="list-style-type: none">Executed transition from HR to Frontend Development role, leading to 45% increase in platform engagement across 1,000+ active monthly usersEngineered responsive website architecture using React.js and JavaScript, improving load times by 15% and implementing optimized educational resources for 500+ parent usersImplemented modern UI/UX design system across 15+ key website components, driving 30% increase in average session duration from 5 to 6.5 minutesDeveloped mobile-first design system with cross-browser compatibility (Chrome, Safari, Firefox), improving accessibility scores from 75% to 92% and mobile user retention by 25%	November 2024 - December 2024

LEADERSHIP AND ACHIEVEMENTS

Interaction Design Association (IxDA) International Non-profit Design Chapter <i>Projects Head and Senior Core Member</i> <ul style="list-style-type: none">Led 12+ UX/UI design projects as Projects Head at IxDA VIT Vellore, achieving 100% project completion rate and 40% faster delivery timesAdvanced from Senior Core Member to Projects Head in 2 years, managing team of 15+ designers and core membersMentored 25+ junior designers through structured 8-week program, with 90% participant retention rateEstablished partnerships with 3 international IxDA chapters, organizing 5 collaborative design workshops with 200+ attendeesImplemented standardized design workflow system reducing project turnaround time by 30% and improving team coordination	October 2022 - January 2025
